

Welcome Home!

Everything You Need, All in One Place

Tips, ideas and local resources to help you settle in, care for your home and make it your own.

Everything You Need, *All in One Place*

Secure Your Home

- ☐ Change or re-key all exterior door locks
- ☐ Update keypad or garage door access codes
- ☐ Replace smoke and carbon monoxide detectors
- ☐ Test all smoke and carbon monoxide detectors
- ☐ Confirm all windows and exterior doors lock
- ☐ Install a home security system.

Know Your Home

- ☐ Locate the main water shut-off valve
- ☐ Locate the electrical panel
- ☐ Label circuit breakers
- ☐ Locate the gas shut-off valve
- ☐ Replace the HVAC/furnace filter
- ☐ Learn the age and maintenance schedule of major systems (roof, furnace, water heater, AC)

Keep Your Family Safe

Build a home emergency kit with essentials like water, a flashlight, batteries, and a first aid kit

Keep a fire extinguisher on each level of your home

Create a family emergency escape plan and practice it together

Choose a safe outdoor meeting place

Keep emergency contact numbers in an easy-to-find location

Check your home for child-safety needs, including stairs, windows, outlets, cabinets, and furniture

Keep pet leashes, carriers, food, and medications readily available in case you need to leave quickly

Methuen Branch

254 Pleasant Valley St. • Methuen, MA 01844
