

Make Your House A Home

Ideas for Every Space, Style & Budget

Big projects, little updates and personal touches can all help make your new house feel like home. Here are a few ideas to inspire you along the way.

High-Value Improvements

Invest in updates that can add comfort, function and lasting value.

- ✓ Update kitchens and bathrooms
- ✓ Refresh or replace flooring
- ✓ Improve curb appeal and landscaping
- ✓ Add or improve usable living space
- ✓ Upgrade windows and doors

Budget-Friendly Updates

Small changes can make a big difference.

- ✓ Add a fresh coat of paint
- ✓ Update lighting and fixtures
- ✓ Replace cabinet and door hardware
- ✓ Refresh landscaping and your entryway
- ✓ Add shelving and storage
- ✓ Update faucets and small finishes

Make It Feel Like Home

Add warmth, personality and the things you love.

- ✓ Add pillows, throws and cozy textures
- ✓ Display family photos and favorite memories
- ✓ Bring in plants and greenery
- ✓ Create a cozy spot to read or relax
- ✓ Add warm lighting with lamps and softer bulbs
- ✓ Create pet-friendly spaces for furry family members

Enjoy the Outdoors

Make the most of your space outside.

TIP:

You don't have to do it all at once. A few thoughtful changes over time can make your home feel more comfortable, personal and completely yours.

- ✓ Create a comfortable patio or seating area
- ✓ Add outdoor lighting
- ✓ Freshen up landscaping
- ✓ Add planters or window boxes
- ✓ Create space for grilling or outdoor dining
- ✓ Add a fire pit or gathering area where permitted
- ✓ Create a pet-friendly outdoor space
- ✓ Add a garden or raised beds
